

The Nursing Department includes a large array of professionals that assist in providing the day-to-day services needed for the patients and residents of LSH. The Nursing Department Leadership includes the Chief Nursing Officer along with an Assistant Directors of Nursing for each of the three programs. The department also includes licensed staff (RNs, LPNs, LMHTs) and non-licensed staff (MHDDs and PCSS) that provide daily care directly on the units for the PSP, SSP, and SPTP programs. Additionally, the Nursing Department also entails Infection Control, Nursing Staff Development, MHT Program, Clinic Nursing, and the Call Center.
